

A close-up photograph of a vibrant green leaf, likely from a plant like a basil or mint, covered in numerous clear, glistening water droplets. The droplets are of various sizes, some in sharp focus and others blurred, creating a bokeh effect. The background is a soft, out-of-focus green, suggesting more foliage. The overall image has a fresh, natural, and serene feel.

RADICAL LOVE

You found me in my darkest hour
You gave me hope and gave me life
You give a love that's greater
You lead me out of darkness
And into your light

I was blind but now I see
Your mercy, it has set me free
Your favor's all around me
Your Radical Love has found me
And Now I sing

Take my heart Lord it is Yours
Oh it is yours, oh it is yours

No one else can save my soul
No one else can make me whole
Jesus you have won me
Your Radical Love surrounds me
And Now I sing

Take my heart Lord it is Yours
Oh it is yours, oh it is yours

Take my life Lord it is Yours
Oh it is yours, oh it is yours

I'm giving up my all
For you and you alone
For your sacrifice
I'm laying down my life

The price you paid, the life you
gave,
The cross and the grave,
My sins now erased

Take my heart Lord it is Yours
Oh it is yours, oh it is yours

Take my life Lord it is Yours
Oh it is yours, oh it is yours
